Circle the correct answer:

If the fire alarm rings I carefully leave by the front door, turn (right / left) and continue down the hall to the main hallway. At the main hallway I take a (right / left) and exit out the closed doors to my right. They close automatically but I can open them and continue (down / up) the stairs. At the bottom of the stairs I turn (right / left) and exit out the double doors toward the faculty parking lot. I meet with my other classmates so Mrs. Napier can take (attendance / my shoes / my picture) and make sure everyone made it out safe.
